-

22 Head

PLUS

63	Straws Holstein Friesian Semen (in 4 lots - see Lot 13)
----	---

Conditions of Sale

The following special conditions apply to this sale where applicable:

FEMALE GUARANTEES:

1. Every female shown as bred on a certain date, except any which may have been served within six weeks of sale, is guaranteed in-calf. This guarantee expires 28 days from the sale date.
2. Where a sale catalogue specifies a calving date and the resultant calf is not acceptable for registration by the MINDA service of the Livestock Improvement Corporation (LIC) or by the relevant Breed Society because the calf is born eleven days or more either side of the specified calving date and the paternity is not able to be verified the seller shall refund 25% of the purchase price plus GST direct to the buyer.
This clause 2 does not apply if the sale catalogue states that a bull was pastured after AB ceased.
3. Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the seller subject to liability under the other clauses contained in the Conditions of Sale. The buyer has the right to retest at their own expense before delivery is made from the place of sale.
4. Where a female is offered for sale as being in-calf, without a supporting veterinary certificate and the female is subsequently proved to be empty, the buyer has the right to return the female or carry out such disposal as the seller may instruct and the seller will refund direct to the buyer the purchase price plus the return transport costs.
5. Cows sold as not in-calf at the time of sale, shall be sold with a guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the cow fail to produce a calf by the 31 December 2020, the seller shall refund in full the purchase price direct to the buyer.
6. Yearling heifers sold as unmated are sold with the guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the heifer fail to produce a calf by the 31 December 2020, the seller shall refund in full the purchase price direct to the buyer.
7. Where females are sold as not in calf, (including yearlings and calves), are flushed for embryo transfer, either with or without success, all guarantees to breed become null and void.
8. Where any female sold as being in-calf proves to be carrying a mummified calf, no liability will fall on the seller.
9. Any animal which is sold as in-calf but subsequently aborts the foetus after delivery is the responsibility of the buyer and no liability will fall on the seller.
10. Any claim to the auctioneers must be accompanied by a veterinary certificate.

GENERAL CONDITIONS:

DELIVERY: Each lot shall, immediately on the fall of the hammer, be at the risk of the buyer.

INSURANCE: If transit or annual insurance is required, such cover can be arranged through the auctioneers.

INSTRUCTIONS: Buyers must sign dockets before leaving the sale and leave full delivery instructions.

TRANSFERS: Sellers are responsible for the completion of transfers. No buyers shall be entitled to withhold payments for stock pending delivery by the seller of the relevant breed society transfer certificate or LIC Animal Location Transfer Certificate.

CATTLE FOR EXPORT: All stock sold for export are to be inspected by Official Inspectors of the Breed Society concerned prior to Export Certificates being granted for such stock. The seller is responsible for the 15% commission payable on all cattle sold for export.

PAYMENT TERMS: Payment 10 days after date of sale. See Special Payment Terms page.

AUCTIONEER'S FOREWORD

It is a pleasure to be involved in the running and sponsoring of this Rotorua AGM "Steaming Hot Genetics" Photo Sale. Your sale committee have helped secure entries from a cross section of members to allow prospective purchasers a great selection of genetics.

Take the opportunity during the Conference to inspect the sale animals. Good luck to all purchasers!

Brian Robinson

Brian Robinson Livestock Limited

OSH

Every effort will be taken by the Vendors, Auctioneers, their staff and assistants, both on the day of the sale as well as on any other visits of inspection to ensure the safety of intending buyers and visitors.

However we wish to advise that this is a farm run under normal management conditions and certain dangers exist in relation to livestock and their environment.

Visitors should take all care to ensure their personal safety.

DISCLAIMER:

All details and descriptions as to stock referred to in this catalogue or otherwise provided by the auctioneer ("sales information") have been supplied by the Seller and have not been independently verified by Brian Robinson Livestock Ltd. Brian Robinson Livestock Ltd and its employees make no representations or warranties or acknowledgement of any kind whatsoever in relation to any part of the sales information (including, but not limited to the accuracy or completeness of details and descriptions of stock and other contents).

Buyers, advisers and all other persons viewing or dealing with the stock must make their own assessment and judgment on the stock and sales information.

Brian Robinson Livestock Ltd is not responsible or liable in any way whatsoever, whether in contract, tort (including negligence), or otherwise, to any person for any loss or damage whatsoever arising directly or indirectly from any information or representation included in or omitted from.

ATTENTION:

Under the Health and Safety in Employment Act 1992, we wish to bring to your attention your responsibilities while attending this on-farm sale. You are in a multi-hazard area and are requested to observe the following rules:

- All children under the age of 16 must be accompanied and under the supervision of an adult
- You are not to enter any yards, pens or races where stock are being moved or held
- Keep to the walkways or within the flagged areas provided
- Report any accident to the site office
- If you see anything unsafe, report it to the site office

The auctioneer has overall control of this site, and will ask you to leave if the above rules are not followed.

WINE AND CHEESE PROVIDED, COURTESY OF BRLL
Please bring this catalogue with you to the sale

SALE CONVENER'S FOREWORD

The Bay of Plenty sale committee welcomes everyone to the Steaming Hot Genetics Photo Sale!

There is an awesome line-up of animals for the discerning buyer to choose from. Extreme type to high indexing cattle, some of the animals are from very well known breeding lines, and others have contracts in place from AB companies.

The committee is excited with the calibre of animals and wishes the vendors and purchasers the very best.

"TINA" FROM THE TONIO'S

Brookview Lau Tina-ET VG88

This beautiful young cow was photographed on the 8 May 2019 as she walked onto the yard, three days before we dried the herd off. Potentially 5th generation EX. She has been halter trained. Calving in our first week of calving and from a magnificent family that just keeps throwing up great ones. I don't think I can offer much better than this young, black, silky cow. Any enquiries - 027 482 2879.

CRV STANDS FOR Healthy & Efficient Cows

Half a century since its establishment by a small group of Kiwis, CRV Ambreed is now part of the world's third largest artificial breeding company. We work with dairy farmers to achieve the best possible herd, that they love to milk. We're committed to bringing the latest technology and herd improvements to Kiwi farmers and continuing to be pioneers for the dairy industry.

Building Blocks To Good Calf Health

✓ Rotagen Combo

For prevention and treatment of calf scours caused by Rotavirus 6 & 10, Crypto, E coli K99, Salmonella, Coronavirus. Rotagen Combo is anti-biotic FREE and GMO FREE.

✓ Enerlect

Enerlect is a high energy source electrolyte that also supplies all the important electrolytes lost during diarrhoea caused by infectious agents or due to a nutritional imbalance.

✓ Vetsan "Super" Concentrate

Virucide, biocide and deodoriser for all surfaces on farm including farm sheds and animal housing such as calf pens. Vetsan is active against all the important pathogenic micro-organisms that can cause calf scours including Rotavirus, Cryptosporidia, Salmonella, E coli, Coronavirus and Mycoplasma Bovis.

Enerlect and Rotagen Combo are registered pursuant to the ACVM Act 1997, Enerlect A9276, Rotagen Combo A9928

Lovely strong Montross yearling.
When I see a pedigree with Bolton in it, I'm after it. Globally Bolton has done a massive job and catapulted the Holstein genomics to a new level. Bolton Courtney VG85 is pure class. Bolton Courtney VG85 is pure class. Gold Courtney was a show winner in her younger days and a full sister to Michele Horn's more well known 2016 & 2018 NZ Dairy Event 2yr old & 4yr old winner Waipiri Gold Cheyanne ET EX. Kian Courtney EX was a treasure.

This heifer's granddam is the impressive Oman cow Royson Oman Cybil EX, dam of Genetic Leaders bull Chervon. Cybil is a great cow, powerfully built with a nice udder and has all of Oman's health traits. Never had feet problems and always a low SCC. Her other daughters and grand daughters in our herd are awesome herd cows, with health traits being passed on. Her dam Royson SRB Cybil-ET S3F was in CRV's elite

James & Son Animal Feed Suppliers

0800 67 3333

Delivering animal feed solutions since 1850...
jamesandson.co.nz

0800 MR FEED

Since 1850 and originally established United Kingdom, James & Son Animal Feed Suppliers have provided quality stock feed solutions to farmers for 169 years. As part of its global expansion, James & Son commenced supplying farmers in New Zealand in 2003.

With locations set up throughout New Zealand, James & Son continued its expansion and in 2010 became part of the Castlegate James Australasia Group. This provides access to additional product offerings and industry expertise. Castlegate James Australasia supplies farmers in all states of Australia via co-product stock feeds and seven feed manufacturing sites.

Servicing the Dairy, Beef, Goat and Sheep sectors James & Son supplies unique products in the form of loose blends, pellets, calf/kid meals and liquid feeds.

For information on how to take advantage and see the benefits of using James & Son call us toll free or visit our website to find your local Key Account Manager.

Buy and sell livestock from anywhere.

Trade livestock online with **bidr®**
– your new real-time auction platform.

bidr® is a new online trading platform where livestock is sold through real time auctions. bidr® enables sellers to have access to a wider pool of buyers, while buyers benefit from having more choice of stock.

With the ability to trade online, buyers can look further afield for the stock that's right for them. And with less transporting of livestock, there will be animal welfare benefits too.

bidr® is a PGW innovation, designed to empower rural traders with greater reach and choice.

bidr® is proud to support the Black and White Youth Auction on 17 June 2019. Sign up today.

Register and bid in 3 easy steps

1.

Enter your details
at bidr.co.nz

2.
