

PGG WRIGHTSON LTD

61st NATIONAL HOLSTEIN FRIESIAN BULL SALE

TO BE HELD AT
TE AWAMUTU SALEYARDS SELLING COMPLEX

WEDNESDAY 21ST SEPTEMBER 2022

Entries close 12TH August 2022

Conditions of entry:

Note:

1. Entries are invited of well grown bulls of one year of age and over. Only registered animals or those eligible for registration and transfer by the NZ Holstein Friesian Association will be accepted.
2. All bulls must meet animal health board requirements and be accompanied by the appropriate certification. Correct certification must be available on sale day. Failure to comply will mean bulls will not be offered for sale.
3. All bulls must be tagged as per NAIT and Animal Health Board requirements. Failure to comply will mean bulls will not be offered for sale.
4. All bulls must be tested negative for BVD Anti-Gen ie non PL. Testing can be arranged through your local vet. Vet certificates verifying testing has been completed are required.
5. All bulls must be accompanied by a certificate attached to the ASD forms stating the farm of origin is clear of Mycoplasma Bovis and has been clear of Mycoplasma Bovis through testing of bulk or discard milk.
6. All vendors entering bulls must be aware of the LIC requirements/conditions around Clause 62 and any other LIC clauses relating to the sale of LIC genetic products. The auctioneers will not be responsible for any breaches of these clauses.
7. All bulls must come from properties that have been:
 - a) Bulk milk and discard milk screened clear of Mycoplasma Bovis and
 - b) from properties that show no signs of mastitis and lameness in the herd and
 - c) from properties that are not under MPI surveillance or control.
8. To qualify for entry all bulls must meet the registration requirements as set down by the NZ Holstein Friesian Association for the Main and Supplementary sections of the NZ Holstein Friesian Association herd book.
 - a) All ET bred bulls must be DNA profiled.
 - b) All dams to be of Excellent, VG or GP83 standard.
9. **INSPECTION:**

A pre-sale inspection will be made where possible by the auctioneers.
10. A pre-sale inspection will be done on sale day by two independent inspectors. Bulls considered not to standard will be offered at the end of sale.
11. The vendors have the choice of leading bulls or running them into the sale ring.
12. The catalogue will be restricted to 100 bulls. If the number of entries received exceeds this number, those with the higher type and production qualifications will be accepted.

13. **EVERY BULL MUST BE A GUARANTEED BREEDER:**

The entry of any bull in this catalogue constitutes a guarantee by the vendor that the purchase price (without interest, expense, costs or damages) shall be refunded if a bull proves totally infertile or incapable of service. If any bull entered does not possess a reasonable fertility, although not totally infertile, any dispute shall be settled by an arbitrator appointed by the Auctioneers.

Any complaint must be lodged with the auctioneers before 31st December 2022. The cost of taking delivery of and returning the bull to the vendor, or the Te Awamutu Saleyards, is to be borne by the purchaser. A veterinary surgeons' certificate shall be produced by the purchaser when required and the cost therefore borne by the purchaser.

14. The catalogue will be compiled from three generation NZAEL LIC pedigrees. Supplied footnotes, photos and any other particulars must accompany the three generation pedigrees when sending to auctioneers.
15. Vendors whose bulls made the three top averages for the first run of 3 or more bulls sold at the 2021 National Sale will have the right to nominate their place of sale in the catalogue. After that the order will be decided by ballot. Vendors are limited to 4 bulls in each ballot position. Every vendor will have a run of up to four bulls before the second run is determined.
16. Vendors are requested to number their pedigrees in the order they desire them to be offered.
17. Because LIC no longer supply transfer cards it is the vendor's responsibility to electronically transfer their bulls in a timely manner. Purchaser's Herd Codes will be supplied after the sale.
18. **SEMEN:**
Entries of semen will be accepted and offered at the end of the sale.
The vendor is to supply a signed certificate for the transfer of semen.
19. **EMBRYO AUCTION:**
Those wishing to offer embryos may forward details. They will be sold immediately following the semen.
20. **VENDORS WILL BE CHARGED** on a pro-rata per head basis for cataloguing and advertising. Yard fees will also be charged. Commission will be 7% on all bulls, semen and Embryos.
21. No substitutions of bulls in the place of those catalogued will be permitted.
22. No entry will be accepted unless on the distinct understanding that the above conditions of entry are accepted by the vendor in every respect.
23. The Auctioneers reserve the right to accept or reject any entry at their discretion.
24. Three generation pedigrees are best ordered from the NZHFA office.

**ENTRIES CLOSE ON FRIDAY 12TH AUGUST 2022
NO LATE ENTRIES WILL BE ACCEPTED**
