Manfield Park Stadium, Feilding, New Zealand

# BIG PICTURE MANAGEMENT

SEMEX SOLUTIONS MAKE GENETIC DECISIONS EASY

The number of decisions you're factoring into genetic planning and breeding selection is only growing more complex. To keep up with the pace of genetic gain, a herd needs to be doing more than purchasing the right sires and Semex is ready to help you do it!

# TIMETABLE

## TUESDAY 24TH JANUARY 2023

- 8:30am Shed Meeting – Compulsory for ALL exhibitors.
- 9:00am Breed Judging Competitions – Ayrshire, Jersey, Holstein Friesian
- 11:20am Lunch (Allflex seminar followed by Semex seminar guest speaker from Swiss Genetics – Angelo Pozzatti)
- 1:00pm NZ Dairy Breeds Federation World Wide Sires All Breeds Junior Judging Competition
- 3:00pm Youth Show – Youth Team Challenge
- 6:30pm Event Opening – Finger Foods & Drinks, Sponsored by World Wide Sires  
Youth Show – Young Handlers

## WEDNESDAY 25TH JANUARY 2023

- 8:30am Futurity Classes – Calves and Yearlings
- 9:00am Youth Show – Calves and Yearlings
- 11:00am Ayrshire and Combined Breed Calves and Yearlings
- 12:30pm Lunch
- 1:00pm Holstein Friesian and Jersey Calves and Yearlings
- 4:00pm All Breeds Calves and Yearlings/All Breeds Junior Champion
- 6:00pm Evening BBQ – Complimentary entry to Sponsors and Exhibitors, Sponsored by FMG
- 7:00pm Summer Sensation Sale

## THURSDAY 26TH JANUARY 2023

- 9:00am Futurity Class – Two year olds
- 9:30am Intermediate Cows – Ayrshire/Combined Breeds and Holstein Friesian/Jersey
- 11:30am All Breeds Intermediate Cows
- 12:00pm Lunch
- 1:00pm Youth Show In-milk (Supreme Champion Youth Show)
- 2:30pm Senior Cows – Ayrshire/Combined Breeds and Holstein Friesian/Jersey
- 4:00pm Wilbur Trophy Competition
- 4:30pm All Breeds Senior Cows
- 5:30pm Supreme Breed Champion – Ayrshire, Combined Breeds, Holstein Friesian, Jersey
- 6:30pm National Anthem  
Supreme Show Champion

## Ian McKelvie

Member of Parliament for Rangitikei

### Welcome to Feilding – the heart of the Rangitikei - for the 2023 New Zealand Dairy Event.

We are proud to be hosting the very best cattle from all around New Zealand. The Manfeild Agri-Centre facilities in Feilding are outstanding - without doubt the best in the Southern Hemisphere for exhibiting cattle. An outstanding arena to parade and showcase New Zealand's top cows in a safe and enjoyable environment for this year's New Zealand Dairy Event.

I appreciate that for an event like this to proceed there are thousands of hours of organisation and planning involved. A shout-out to all of those who have played a part in putting this year's event together. Especially the NZDE Committee, all of whom are volunteers. Their dedication and commitment to providing a successful showcase of the best our industry has to offer is outstanding. Thank you too to all the exhibitors and judges – and of course the sponsors.

I am very much looking forward to attending and being a part of promoting and supporting dairy excellence. As a farmer and the Member of Parliament for Rangitikei I am committed to the future of agribusiness in New Zealand and certainly appreciate the value of great genetics and celebrating the best of the best in our dairy industry. Especially an industry which contributes over \$19b annually to the New Zealand economy, is responsible for 25% of all goods exported from NZ by volume and employs over 50,000 people across the country.

What's more, our dairy industry has proven itself to be a progressive industry with a sustainability focus for which advances in breeding and farm systems are delivering value – in 2020, export value per cow was 50% higher than it was 10 years prior in 2010.

I also applaud the New Zealand Dairy Event's commitment to focussing on and encouraging young people involved in farming. As we all know – they are the future of our industry.

This year's showcase looks set to be the best yet. We are all in for a great few days and I look forward to seeing you there.

Best regards

# WELCOME

It is with great pleasure that The New Zealand Dairy Event Committee extends a warm welcome to you all to the 2023 NZ Dairy Event. Its fantastic to see exhibitors and sponsors who have supported this event annually since its inception in 2009, again showing and sponsoring this event 14 years on in 2023. Equally as exciting is the new exhibitors and sponsors that are attending this prestigious event for their first time in 2023.

The 2022 event was a great success that we were able to run given the covid restrictions the country was faced with, and we thank you all for your understanding and cooperation to making the event work under the alert levels that we had to work within. The 2023 event is on track for another amazing show with entries exceeding those of 2022, with continued growth in the Youth section of the show. It's a great pleasure to see the passion and excitement the young exhibitors have for showing their animals and places the event in a great position for its continuation into the future.

It is obvious from entries across New Zealand that the NZDE is held in very high regard amongst our stud breeders. A warm welcome and a big thank you to all exhibitors that have supported this event throughout the years and a special welcome to all those who are here for the first time.

The NZDE would not be possible without the huge support from our sponsors, a special thank you to those who have been on board since day one and have continued their support. Thank you to our Gold Sponsors Semex NZ and Allflex NZ along with our Silver Sponsors FMG and Holstein Friesian NZ for your continued support. To all our other sponsors as we understand and value the commitment that you have made to this event being a success for all involved. The committee encourages you as breeders and farmers to support our sponsors wherever you can and during the event speak to them about new products or services that are on offer to support your business. Like previous years the NZDE will host the Summer Sensation Sale and we are grateful for Carrfields Livestock to be conducting this sale again in 2023 and thank those vendors and intending purchasers for your support of this sale as it contributes to the financial success of the event.

To our Judges who have travelled from overseas we thank you for taking time out of your busy lives to attend this event and judge the cream of New Zealand dairy cattle. Having international judges certainly adds to the prestige of the event. We do hope that you enjoy your stay and take home some memorable everlasting impressions of New Zealand dairy cattle, the NZDE and our beautiful country. To the participating New Zealand Judges, many thanks for the giving of your time to this event.

The 2023 New Zealand Dairy Event Show is a must for all dairy farmers and breed enthusiasts to attend, whether by exhibiting or just visiting, you will be able to witness the best dairy cattle that New Zealand has on offer, and we strongly encourage you to make time to attend this event in January 2023.

**Jamie Cunninghame**  
NZ Dairy Event Chair.

# THE RISKS ARE LESS RISKY WHEN WE'RE PART OF THE PICTURE.

Moving ahead means making changes. And that usually comes with a few risks along the way. But with us as your partner, you can progress with more confidence. That's because FMG offers the kind of specialised advice and knowledge that only comes from working alongside rural New Zealand for generations. To find out more, ask around about us. Better still, give us a call on 0800 366 466 or go to [fmg.co.nz](http://fmg.co.nz). FMG, your partners in progress.

*We're here for the good of the country.*

# JUDGES

Profiles supplied by Mud Media.

The NZDE Management Committee is proud to announce the judges for the 2023 All New Zealand Show. Their industry expertise, reputation and knowledge of cattle will provide for spectacular viewing. For the 2023 event we have judges coming from the United Kingdom, South Africa, Australia and New Zealand. Once again the All New Zealand Show will have associate judges in the Jersey, Combined Breeds and Holstein Friesian sections.

## NZ DAIRY EVENT SEMEX ALL NEW ZEALAND YOUTH SHOW | GORDON FULLERTON

Gordon Fullerton with the EX96 Holstein, Butz-Butler Gold Barbara at Kueffner Holsteins & Jerseys, owned by Ernie Kueffner and Terri Packard, at Boonsboro (Maryland, USA). Barbara was the 2019 Grand Champion Holstein at World Dairy Expo in Wisconsin. *Photo: Terri Packard.*

Gordon Fullerton will judge the youth show at the 2023 New Zealand Dairy Event (NZDE) at Feilding from January 24-26.

The 25-year-old sharemilker is milking 300-head in his second season for well-known Waikato dairyman Henk Smit. The Maungatautari operation in picturesque Cambridge is 70% autumn calving. The System 5 operation – which is a herd of Holsteins and 25 Jerseys – averaged 670kg of milk solids last season.

Off-farm Gordon had a promising rugby career, winning a sporting scholarship to Lincoln University in 2015. He achieved a Diploma in Applied Science from Lincoln in 2017 and worked as a rural professional until 2019 when he was signed to the Old Glory DC rugby team in Washington, in the United States (US). His US playing career was brief because of Covid. He said he was happy to return to his first love – dairying. He has now settled to playing club rugby when it works in with the farm.

Gordon is the former winner of the Pitcairns/WWS Junior Judging competition in 2019 (open to Breed Society members aged between 16 and 30), which culminated with him winning the national title and judging at the Sydney Royal Easter Show.

He is looking forward to the NZDE.

“It’s really hard to get an opportunity as a younger judge in a strong show which has a decent number of animals,” Gordon said.

“It’s a really cool occasion and I can’t wait to see the animals New Zealand’s youth are preparing.”

NZDE official Isaac Kelsen said the committee’s choice of a young New Zealand judge was deliberate.

“We really want to give our young judges exposure to this level of judging,” Isaac said. “We want to actively promote the next generation of our judges, because they can easily relate to the young competitors, and they also get a valuable opportunity to rub shoulders with our international judges for the other breeds.”

## NZ DAIRY EVENT JERSEY BREED ALL NEW ZEALAND SHOW | DANIEL BACON

Australian dairy farmer Daniel Bacon, who milks 280 high-production Jerseys under the well-known prefix, Brookbora Jerseys, will judge the Jerseys at this year’s New Zealand Dairy Event (NZDE) from January 24-26.

Brookbora Jerseys – located on 283 hectares in Tennyson, Victoria – is Australia’s highest production herd, the reigning Premier Breeder and Premier Exhibitor herd at International Dairy Week (IDW), and the equal No. 2 Australian Jersey herd in BPI [Balanced Performance Index]. Brookbora also has the distinction of breeding more than 300 EX cows.

Daniel spent eight years working as a nutritionist after graduating with a degree in animal science from Charles Sturt University, at Wagga Wagga (New South Wales). He returned to the family farm in a part-time role in 2017 – balancing it with his nutritionist work – before joining the popular Brookbora partnership fulltime this year with his parents, Robert and Sandra.

Their Jersey herd averaged 668kg milk solids in 305 days last season (with an average bodyweight of 430kg). Brookbora also bred two popular sires, which are being used across the

globe, Brookbora Valentino Askn, and Brookbora Bushfield (in addition to co-breeding Pannoo Abe Vanahlem).

Daniel is also part of the three-way partnership on one of Australia's famous Illawarras, Wallumlands Sunstorm 8 EX95. Sunstorm 8 was shown four times at IDW for four Grand Champions and two Supreme Champions (of all breeds) between 2015 and 2019. The partnership included good friends, Ben Govett (Tandara Brown Swiss – the 2023 NZDE Combined Breeds judge) and Glen Gordon (Gorbros Holsteins). Notably, at IDW 2022 Daniel, Ben, and Glen all won Premier Exhibitor in their respective breeds.

Daniel has travelled extensively courtesy of the Jersey cow through the United States, New Zealand and throughout Australia. He has traversed from working at shows into a more formal role latterly with a number of judging appointments. He has judged shows and on-farm competitions in every state of Australia, and says he is “genuinely excited” to be joining the judging panel at Feilding.

Daniel Bacon (left) with his parents, Sandra and Robert, in January 2022 after winning Premier Breeder and Premier Jersey Exhibitor at International Dairy Week in Victoria, Australia. Photo: Jayden Drake.

## NZ DAIRY EVENT COMBINED BREEDS ALL NEW ZEALAND SHOW | BEN GOVETT

Ben Govett with his partner, Michaela Shrimpton, and their son, Cooper, after winning Grand Champion Brown Swiss at International Dairy Week in 2018 with Tandara Jolt Sarajevo 55. Sarajevo 55 was aged 11.5 years with seven calves to her credit that year. She had been Grand Champion Brown Swiss in 2015, Reserve in 2014, and Honourable Mention in 2017.

Photo: Claire Swale.

One of Australia's most popular judges – who has significant achievements in multiple breeds – will judge the Combined Breeds at the New Zealand Dairy Event (NZDE) from January 24-26.

Ben Govett, of Tandara Genetics, has had to switch up his farm's name from Tandara Brown Swiss, to cover off on the multiple breeds now residing on his 600-hectare operation at

Dingee, in northern Victoria (two hours north of Melbourne).

Tandara has been Premier Breeder and Premier Exhibitor in the Brown Swiss at International Dairy Week (IDW) in Australia every year for the last decade. That has often included Tandara names on the Champion, Reserve and Honourable Mention – and every other broad ribbon on offer for the breed. Tandara has bred and owned the last seven IDW Brown Swiss Grand Champions.

Ben is also part of the three-way partnership on one of Australia's famous Illawarras, Wallumlands Sunstorm 8 EX95. Sunstorm 8 was shown four times at IDW for four Grand Champions and two Supreme Champions (of all breeds) between 2015 and 2019. The partnership included good friends, Daniel Bacon (Brookbora Jerseys) and Glen Gordon (Gorbros Holsteins). Notably, at IDW this year Ben, Daniel, and Glen all won Premier Exhibitor in their respective breeds. Ben has also owned broad ribbon winners at IDW in Holstein and Ayrshires.

Ben's 300-head herd is an even split between Brown Swiss and Holsteins with some Jerseys and whatever other breed Ben may have on-board as a favour to someone. The Holsteins average 10,500 litres (625kg milk solids) and while the top two dozen Brown Swiss are marginally behind the Holstein in litres, Ben confirms the top tier of Brown Swiss hold the power in milk solids. He supplies processor Lactalis.

Ben's judging resume is just as diverse as his breed choices. He has judged different breeds at every Royal Show in Australia – Melbourne, Sydney, Brisbane, and Adelaide. He has also judged the popular Toowoomba Show. He will be familiar to some New Zealanders, having judged the Waikato On-Farm Show in 2019 (which replaced the Waikato Show that year because of Mycoplasma Bovis). He judged the Holsteins at the Victorian Winter Fair at Bendigo (Victoria) in June 2022.

Ben works hard at home, but he is also well travelled, and he is a regular visitor to the World Dairy Expo (WDE) in the United States. He will visit WDE again in the lead-up to his January 2023 commitment. Ben graduated from the University of Melbourne with a degree in Animal Science, and he has used it as a vital base to run a profitable operation in one of the most challenging areas to dairy in Australia.

## NZ DAIRY EVENT AYRSHIRE BREED ALL NEW ZEALAND SHOW | EDMUND ELS

South African dairyman Edmund Els will judge the Ayrshires at this year's New Zealand Dairy Event (NZDE) from January 24-26.

Edmund owns The Ridge Ayrshires, milking 200 registered Ayrshires on the Western Cape. He is equally comfortable showing cows – having exhibited and bred several national champions – as he is working in official roles at the highest levels for the breed.

He is the World Ayrshire Federation's current president.

He was also the first judge outside North America to judge at the Southern National Championship in Louisville, Kentucky, USA in 2012.

Edmund was employed by the Ayrshire Society in 2005, working as its breed director between 2005 and 2012. He also served on South Africa's Ayrshire board for many years, was President between 2014 and 2017, and he still serves as a council member. He is a South African Ayrshire representative to the World Ayrshire Federation.

Edmund has judged widely in South Africa, and in Kenya twice – in 2016 – and at the Nairobi International Trade Fair (2017). He has also judged the International Ayrshire Show

and Interbreed at the UK Dairy Event at Telford (2017), and the Ammujaiset Dairy Show in Finland (2018).

He has adjudicated the world photographic competition, the Australian photographic competition, and the All-American photographic competition.

Edmund Els. Photo: The Bullvine.

## NZ DAIRY EVENT HOLSTEIN FRIESIAN BREED ALL NEW ZEALAND SHOW | MARK NUTSFORD

Mark and Susan Nutsford with their Grand Champion of the 2021 UK Dairy Day, Riverdane Absolute Springsteen and (left) Holstein UK's Chairman Elect Wallace Gregg. Photo: Richard Hodgson.

One of the UK's highest profile breeders, Mark Nutsford, will judge the Holsteins at the New Zealand Dairy Event (NZDE) from January 24-26.

Mark and his wife, Susan, own and operate 250-head at Riverdane Holsteins, in addition to Celltech Embryo Transfer at Cheshire, in northwest England. The couple milk 100 of their high-production Holsteins through two robots, with the balance being milked through a parlour. They farm 182

hectares (450 acres, mostly grass, maize and whole crop wheat).

Mark has a deep judging resume – including the All-European Show in Belgium in 2019. The show included close to 150 cows from 10 countries and was nation versus nation rather than breeder versus breeder (the cows were pre-selected by their respective countries). It is recognised globally for amping up the atmosphere and adding a significant amount of weight to any judge's shoulders.

Mark's quiet confidence that day came from his own success. Riverdane Holsteins has twice won the UK National, the UK Royal Show, the All Breeds Calf Show (including breeding three), AgriScot four times, the UK Dairy Expo, the UK Livestock event, the Cheshire show five times, the Western show three times, the Northern Expo twice, the Nantwich three times and (showing outside the UK), and the European four-year-old class at Fribourg, Switzerland.

Riverdane has also amassed 54 All-Britain Competition nominations, three 97-point cows and 30 maximum-scored cows – including 13 VG89 two-year-olds. Mark is a trustee of Holstein UK, and he was a master judge at the European judging school in 2017.

He is also proof of the reach of connections the dairy industry engenders. Kiwi expatriate Brent Crothers, who now lives in Shropshire, UK, has helped introduce and recommend the flow of judges between the two hemispheres.

## LEADING PROVIDERS OF ANIMAL HEALTH AND FARM PRODUCTION PLANNING SERVICES

By working closely with clients to identify their animal health and performance goals we aim to develop farm-specific animal health programmes and strategies.

Providing tailored advice based on best practice and best science.

Offering a comprehensive range of dairy health services, advice, and support:

- Herd reproductive management
- Milk quality management
- Lameness management
- Ambulatory response calls
- Nutritional management
- Replacement rearing
- General disease prevention
- Affiliated with Tararua Breeding Centre

# GENERAL RULES & NOTICES

To be run under the Rules of the Manawatu A & P Association Show Rules and Regulations <http://www.ras.org.nz/wp-content/uploads/2013/06/Showing-Rules-Regulations-2015.pdf>

## YOUTH SHOW

1. Youth Exhibitors must be aged under 26 years as at the 01/01/2023. All animals entered in the Youth Section are eligible to be shown in their respective Breed's and the All Breed's Sections and must be entered and led by the Youth Exhibitor in all the sections.
2. Handlers Classes: Only calves and yearlings are to be used, also the same animal cannot be used by more than one exhibitor/handler.
3. Team Challenge: This event is for non-professionals; in this context a professional is a person that travels from or to other countries to prepare cattle for sale or shows and is paid for his/her services.

## ALL NZ SHOW

1. The one Entry fee per animal automatically enters that animal in all classes it is eligible for:
  - a. Age Group, Best Udder and All Breeds.
  - b. Respective Age and Best Udder classes.
2. The NZ Dairy Event Management Committee reserves the right to amalgamate classes with insufficient entries or extend classes with very large entries, any decision made by the committee will be final.

## LATE ENTRIES

**May be accepted.** Acceptance will be at the discretion of the NZ Dairy Event Management Committee.

1. All accepted late entries will be subject to a late entry fee of Class entry fee + 50% ie. \$30 + 50%, Total \$45.
2. Replacement within a class is permitted but between classes is not permitted.

## SUBSTITUTES

These will only be accepted for cattle in the same breed and same aged class.

## CLIPPING FRAMES

1. These are permitted, there is a charge of \$100 + GST for a frame site/per frame and the frame will be situated next to your cattle.
2. Clipping space must be booked and paid for on the entry form. If not booked and paid for at time of entry no frame will be permitted to be erected.
3. To be fair to all exhibitors, clipping frames must be erected in the space allocated by the committee, not where the exhibitor thinks it should be.
4. A limit of 2 clipping frames per isle.

## STRAW /BEDDING

1. Each isle will be allocated sawdust.
2. Sawdust is available for bedding; however, straw can be used at exhibitor's own cost.
3. Sponsor Farm Source (Ph: 06 323 9146) will have shavings available at exhibitor's own cost.

## EARLY ARRIVING CATTLE

Exhibitors that are travelling extreme distances will be permitted to enter Manfeild early by approval from Lawrence Satherley Ph: 06 325 8354 or Chief Steward Jamie Cunningham (027)5833533 Contact must be made to either Lawrence or Jamie with day & time of arrival for approval. All other exhibitors will be able to enter Manfeild on Monday the 23rd of January 2023.

## RULES

1. Any alteration of conformation of cattle as per the Manawatu A & P Assn rules will be considered malpractice and could be disqualified from the Event.
2. It is expected all exhibitors will always keep their stalls clean and tidy and encourage those that want to dress up their stalls please do so.
3. All rubbish is to be placed in the rubbish bins provided and all cattle waste, saw-dust, shavings etc. to be placed in the allocated/signed areas.
4. Exhibitors are asked to NOT bring large bales of baleage inside the stadium.
5. No dogs allowed in the stadium, day, or night.
6. Unacceptable behavior, drunkenness & under-age drinking will not be permitted. Alcohol is not to be visible to the public.
7. No glassware/glass bottles are allowed inside the stadium.
8. These are magnificent facilities; with the level of visitors, we need to keep our image at all time's first class! ***"Failure to respect the facility could jeopardize our event for the future."***
9. As a Manfeild requirement there is to be NO GLASS BOTTLES on the premises.

## BY-LAWS

1. All cattle in the breed sections must be entered in the name of the bona-fide owner.
2. The date of birth of all breeding cattle must be stated at the time of entry.
3. The age of cattle shall be computed as of 1st June. NB: As the age of all cattle is determined from the 1st of June in each year, all animals shall be deemed to be one year older on this date.

- All cattle entered in the Breed and Youth classes, if one-year-old or over, must be entered in the recognized Herd Book of the breed concerned. If under one year of age, they must be eligible for entry.

- Addition to by-laws as approved by the NZDE:

*“Animals eligible for showing at NZDE must be registered with their individual breed society and comply with their individual breed society rules for association showing awards.”*

### **TB TESTING & NAIT REQUIREMENTS**

- All cattle including calves & yearlings entered for this Show must be from a TB free and Accredited herd and tested within the Opsri Regulations of your region.
- Cattle from a TB free and accredited herd within a declared movement control area must be tested and passed within 60 days of movement. A copy of the test certificate must accompany all Animals.
- Checks will be made for TB declaration cards on stock arrival.
- A NAIT approved RFID tag is mandatory for all movements of cattle, including calves. NAIT regulations for ear tagging is one registered NAIT tag per animal for animals 30 days or older.
- It is the exhibitors' responsibility to record all animal movements with NAIT 48 hours prior to leaving the farm/property for the Event and then within 48 hours of returning to the farm/property from the Event.
- The animals must be transferred to the (Manawatu A & P NAIT number - 443920) for the event.
- ALL cattle must have Animal Health Board or Birth ID Tags.
- The Committee will inspect, animal identification to establish TB and NAIT status.

### **STALLING OF ENTRIES**

- In the event of catalogued entries not being exhibited at the Show, the Chief Steward shall have the right to re-allocate such stall spaces.

- Feed receptacles will not be provided in the Dairy Pavilion.
- Exhibitors wishing to feed meal or dry stock foods should bring suitable containers with them.
- Hoses will be located at the end of each row in the Pavilion.
- The Chief Steward along with the NZ Dairy Event Committee has the right to ask any exhibitor to leave the event if they fail to comply with the rules of both the NZ Dairy Event and Manfeild Park.

### **HEALTH AND SAFETY**

- All exhibitors and visitors are expected to comply with the Health and Safety Act 2015.
- All exhibitors and visitors are expected to comply with the any National Health regulations at the time of the event.
- A shed meeting will be held at the start of the event to outline evacuation procedures. In the event of an emergency, exhibitors are asked to follow the instructions of NZDE Committee members and Manfeild staff.
- Exhibitors will be asked for their Current First Aid certification (if they have it) on the Entry Form. This will assist with the Health & Safety aspects at the event.
- Electrical equipment must be approved for use by a registered electrician and carry an 'Electrical Safety Test label' valid for the period of the event. NZDE Committee strongly advises that to avoid disappointment exhibitors get electrical equipment tested before arriving.

### **SHED MEETINGS:**

- A shed meeting will be held at 8.30am each morning.
- Attendance from all exhibitors and supporters is compulsory at these meetings.

# CODE OF PRACTICE

The NZDE Management Committee have determined the following Codes of Practice under the rules of The Royal Agricultural Society (RAS).

The showing of registered pedigree cattle is an important part of the promotion, merchandising and breeding programme of many breeders. Additionally, it is an important part of the programme of the New Zealand Dairy Event to stimulate and sustain interest in breeding registered pedigree cattle. This relates to both spectators and exhibitors. In this connection, the Management Committee of the New Zealand Dairy Event (NZDE) believes that it is in the best interests of the breeders of registered pedigree cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring.

NZDE recognizes that there are certain practices in the proper care and management of dairy cattle that are necessary while moving dairy cattle to and between shows that is advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the handling and presentation of cattle in the show ring that are unacceptable.

In keeping with the basic philosophy of the New Zealand Dairy Event, ethics are an individual responsibility of the owner of each animal shown. Violations of these policies are subject to the disciplinary action of the NZDE's Rules.

The following practices or procedures are considered unacceptable and defined as being fraudulent and/or unethical in the showing of registered pedigree cattle.

- Misrepresenting the age and/or milking status of the animal for the class in which it is entered/shown.

- Treating the animal, particularly the udder, internally or externally with an irritant or counterirritant.
- Surgery or Insertion of foreign matter under the skin, performed to change the natural contour or appearance of the animal's body, though not to preclude practices required or involved in normal management.
- Criticizing or interfering with the judge, show management or other exhibitors while in the show ring, or other conduct detrimental to the animal's breed or the NZDE All NZ Show.
- Setting teats or manipulation of a teat to alter its normal position such as to unnaturally hold it plumb or to alter its length, is unacceptable and shall be regarded as malpractice.
- It will be the responsibility of All New Zealand Show judges at the NZDE to take appropriate action if any teats are set, or in any way manipulated to an unnatural position.
- While all milking animals must be subject to examination, the judge/s will be instructed to closely examine the top five animals, not only for set teats but for any other form of tampering requiring discrimination or disqualification.
- The following is considered to detract from the image of the show ring when carried to excess and will be given slight to serious discrimination in placing animals within a class.

This would be seen as unsportsmanlike conduct on the part of the show person.

# Allflex monitoring collar discussion group sessions

Allflex is proud to be a gold sponsor of the 2023 NZ Dairy Event at Manfeild Event Centre in Feilding on 24 - 26 January 2023

To celebrate our support we would like to invite event delegates, attendees, dairy farmers and any agri industry leaders to the show and hear from our Allflex team about our monitoring solutions.

Allflex® Collars with SenseHub® Dairy detect the optimal time to inseminate, alert you to distressed cows early, and save you time during busy periods.

**WHEN** 11.20am - 12 noon  
Tuesday 24th January 2023

**WHERE** Manfeild Event Centre,  
upstairs breakout rooms.  
Light lunch, tea and coffee provided.

**RSVP** Thursday 19th January 2023  
Trevor Ward

# OPEN COUNTRY YOUTH TEAM CHALLENGE

The Youth Team Challenge is kindly sponsored by Open Country.

Judges will award points for excellence and teamwork. Team to consist of four members under 26 years of age as at 1/1/2023 with one team member to be under 13 years of age as at 1/1/2023. (Please refer to the General Rules and Notices regarding professional fitters.)

1. Team to clip and prepare a yearling heifer (heifer will be provided).
2. One team member to lead an animal (to be judged on presentation and handling).
3. One team member to judge (placing animals and providing reasonings).

TUESDAY 24TH JANUARY 2023, START TIME 3:00PM

# FUTURITY CLASSES

**Judge: Gordon Fullerton, Hamilton New Zealand**

## RULES FOR FUTURITY CLASSES

*Futurity classes will be run under the General Rules of the Dairy Cattle Sections governed by both Waikato A & P Show and New Zealand Dairy Event.*

*In addition to the General rules governed by both Waikato A & P Show and New Zealand Dairy Event the following rules shall apply to calf, yearling heifer and 2 year old in milk Futurity classes.*

1. *Only heifer calves born from the 1st June 2022 purchased at the Next Generation Sale or the Summer Sensation Sale are eligible to enter.*
2. *A one off entry fee of \$100 per animal is to be paid by the purchaser at the time of the Next Generation Sale or the Summer Sensation Sale. (Revenue generated from the sale of Futurity Lots and any additional money from donors received on the day of the Next Generation Sale or Summer Sensation Sale will be held secure in a BNZ term deposit. Final 2 year old in milk Futurity classes will be held in October 2024 at Waikato A & P Show & January 2025 at NZ Dairy Event. The monies generated at the Next Generation Sale in 2022 and the sale of Futurity Lots at the Summer Sensation Sale 2023 will become the prize pool for the in milk 2 year old Futurity classes. The prize pool will be equally divided between Waikato A & P Show and New Zealand Dairy Event.)*
3. *All in milk 2 year olds exhibited in the 2 year old in milk Futurity class will receive a percentage of the prize pool. Allocated percentages of winnings in order of placing.*
4. *Whereby calf and yearling Futurity classes have been sponsored then the sponsored prizes/monies shall be paid to the said class.*
5. *Whereby calf and yearling classes have been sponsored by the Breed Associations in the form of cash or prize of any kind payable to the youth handler, then that cash or prize shall remain the property of the youth handler it has been awarded to.*
6. *Ribbons will be placed 1st – 6th for Futurity calf, yearling and 2 year old in milk classes.*
7. *All calves, yearling's and in milk 2 year olds must be paraded by persons who were aged 25 years and under on the day the animal was purchased as a calf at the Next Generation Sale or the Summer Sensation Sale.*
8. *Failing the nominated youth handler being unable to exhibit the calf, yearling or in milk 2 year old, another youth handler may be nominated. Notification of the change must be given to the Chief Steward prior to the calf, heifer or in milk 2 year old entering the ring.*
9. *Proof of age of any youth handler may be requested from time to time by the Ring Steward.*
10. *Any additional fees imposed by both Waikato A & P Show & New Zealand Dairy Event or levies collected for a third party remain the responsibility of the owner.*
11. *Rules should be read in conjunction with the Next Generation Sale rules.*
12. *The Organising Committee reserves the right to review and amend the rules at any time. Committee members; Matt Satherley, Tim Barclay, Duncan Pipe (027 264 9527), Wendy Harker, Brian Robinson (027 241 0051) Heather Fowlie (0274521416) & NZDE Representatives*

# Oceans of experience on the land

## SoilNUTRITION

Unlock the fertiliser already in your soil.

AgriSea Soil Nutrition is a conditioner which will feed your biology, improve soil structure & fertility. An active and diverse soil biology ensures an ongoing feed source for your pasture and animals. Minerals and nutrients already in your soil become bio-available to your pasture.

## PastureNUTRITION

Pasture Nutrition delivers an instant nutrient lift directly to your pasture. Feed availability & quality significantly impact your overall animal health, production and profitability.

Applying AgriSea Pasture Health direct to the leaf increases chlorophyll levels delivering greener, healthier pastures and crops, & a considerable lift in the fibre, protein and overall nutritional value. The best part is the improved health of your stock due access to grass that is so high in nutritional value!

**PROUDLY SUPPORTING THE  
2023 NZ DAIRY EVENT**

Contact us for a farm consultation **0800 SEAWEED**

Providing the primary sector with a complete nutrition solution that is better for animals, produce, the environment & business profitability.

## AnimalNUTRITION

AgriSea Animal Health leads to lower vet bills, happier animals and a more productive and profitable business.

AgriSea Animal Nutrition provides a vast range of natural nutrients, minerals, vitamins & trace elements that are immediately bio-available to your animals. Bolster your animals' immune system where nutritional deficiencies otherwise create health issues. Increasing resistance & recovery during periods of stress.

## Fortress+ DAIRY

AgriSea Fortress+ Dairy is a new animal nutrition supplement that is scientifically proven to reduce oxidative stress, meaning healthier cows and calves, with results from as little as 5mls per day.

Fortress+ Dairy increases feed diversity by providing a premium multifunctional package of phytochemicals, vitamins, amino acids, minerals, and trace elements, which improve animal wellbeing by preventing cellular damage from oxidative stress.

**NZ DAIRY EVENT 2023 - ALLFLEX ALL NEW ZEALAND SHOW**

**JERSEY NZ 2023 BEST UDDERED INTERMEDIATE JERSEY COW**

*The Best Uddered Cow from classes 2402, 2408 and 2403 will compete for the special NZ Dairy Event ribbon.*

**JERSEY NZ 2023 INTERMEDIATE IN-MILK JERSEY CHAMPION**

**JERSEY NZ 2023 INTERMEDIATE IN-MILK JERSEY RESERVE CHAMPION**

**JERSEY NZ 2023 INTERMEDIATE IN-MILK JERSEY HONORABLE MENTION**

# WHY JERSEYS?

**+13%**  
*Milk Fat*

per KG Liveweight

**+09%**  
*Milk Solids*

per KG Liveweight

**+18%**  
*Efficiency*

at Converting Feed

The Jersey cow returns a **better per kilo liveweight** comparison over all other breeds in milk fat, protein and milk solids. She also delivers **greater breeding values** than other dairy breeds. Jerseys are **faster to milk** and have greater calving ease, with the **highest fertility** breeding value. When stocked at optimal rates, Jerseys produce approx **8% more profit** than its closest competitor, making it the **sustainable choice of breed**.

## Sustainable

- Greater efficiency, great profit
- Higher rate of dry matter to milk

- Higher heat tolerance
- More environmentally friendly

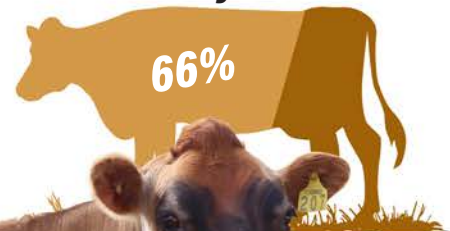

- Lower gas emmison
- Lower nitrogen levels

## OAD MILKING

**Jerseys are the most adaptable breed for once-a-day milking, due to...**

- Better udder conformation
- Higher milk solid percentages
- Able to carry 24 hours of milk production

**66%** of Jerseys Already Carry The A2A2 Gene

# THE RISKS ARE LESS RISKY WHEN WE'RE PART OF THE PICTURE.

Moving ahead means making changes. And that usually comes with a few risks along the way. But with us as your partner, you can progress with more confidence. That's because FMG offers the kind of specialised advice and knowledge that only comes from working alongside rural New Zealand for generations. To find out more, ask around about us. Better still, give us a call on 0800 366 466 or go to [fmg.co.nz](http://fmg.co.nz). FMG, your partners in progress.

*We're here for the good of the country.*

# HOLSTEIN FRIESIAN

## GENETICS

# DIVERSE,

# SUPERIOR,

# PROVEN.

The future of the Holstein Friesian breed in New Zealand is buoyant, with several established breeding programmes identifying high genetic merit animals to ensure the best genetics within New Zealand's pedigree Holstein Friesian population are sourced and made available to the dairy industry.

Looking for an outcross option? No problem. The Holstein Friesian breed has an incredibly diverse global genetic pool to choose from – the largest of any breed worldwide.

Invest in the diversity of your dairy herd by farming Holstein Friesians.

# BIG PICTURE MANAGEMENT

SEMEX SOLUTIONS MAKE GENETIC DECISIONS EASY

The number of decisions you're factoring into genetic planning and breeding selection is only growing more complex. To keep up with the pace of genetic gain, a herd needs to be doing more than purchasing the right sires and Semex is ready to help you do it!

# Allflex monitoring collar discussion group sessions

Allflex is proud to be a gold sponsor of the 2023 NZ Dairy Event at Manfeild Event Centre in Feilding on 24 - 26 January 2023

To celebrate our support we would like to invite event delegates, attendees, dairy farmers and any agri industry leaders to the show and hear from our Allflex team about our monitoring solutions.

Allflex® Collars with SenseHub® Dairy detect the optimal time to inseminate, alert you to distressed cows early, and save you time during busy periods.

**WHEN** 11.20am - 12 noon  
Tuesday 24th January 2023

**WHERE** Manfeild Event Centre,  
upstairs breakout rooms.  
Light lunch, tea and coffee provided.

**RSVP** Thursday 19th January 2023
