Conditions of Sale

All bulls sold subject to the NZ Stock and Station Agents Conditions of Sale as posted in the Sales Pavilion.

EVERY BULL A GUARANTEED BREEDER: The entry of any bull in this catalogue constitutes a guarantee by the Vendor that the purchase price without interest expenses, costs or damages shall be refunded if a bull proves totally infertile of service. If any bull entered does not possess a reasonable fertility, although not totally infertile, any dispute shall be settled by an arbitrator appointed by the Auctioneers.

Any complaint must be lodged with the Auctioneers by the 31st December 2023. The costs of taking delivery of and returning the bull to the vendor to be borne by the Purchaser. A Veterinary surgeon's Certificate shall be produced by the Purchaser when required the costs thereof to be borne by the Purchaser.

DELIVERY: All purchases, as is customary, will be at BUYERS RISK FROM FALL OF THE HAMMER.

INSURANCE: If Transit, or Annual Insurance is required, such cover can be arranged through the Auctioneers on application.

INSTRUCTIONS: Purchasers are asked to sign dockets before leaving the sale and to leave full and explicit transport instruction.

TRANSFERS: Vendors are responsible for completion of transfers. No purchaser shall be entitled to withhold payment for pedigree stock

pending execution of delivery by the vendor of the same.

COMMISSIONS: If it is not possible to be present, the Company's Stud Stock specialists who are thoroughly conversant with the offering, will be glad to make selections upon specified lots according to instructions.

CATTLE FOR EXPORT: All pedigree Stock sold for export are to be inspected by Official inspectors of the Breed Society concerned prior to Export Certificates being granted for such stock.

NOTE: The Vendors assume responsibility for the customary 15% commission chargeable on all stock sold for export.

All bulls which are sons of LIC bulls are sold on condition semen is not collected from these animals and that the purchaser will comply with clause 62 of LIC's service rules.

LIC approves the use of the bulls for natural mating.

If the purchaser does wish to use the bull for commercial AB collection, an agreement must first be reached with the General Manager of Genetics at LIC.

NAIT: All purchasers must supply their NAIT numbers at the time of registering to purchase.

2 yrs - 90% Black. Zasberilla son out of a top young Montross cow. Generations of terrific long lasting cows. I thought the days of Waipiri bulls having good BW's was gone. But wonders and miracles still happen. Sire of sons and many contracted daughters these Zasberilla sons will be in high demand. Very good bull.

One of the favourite dams purchased from Murray and Julie, great strong fore udder, lovely medium sized Friesian cow who would have made a great calf club calf in her day.

OSH

Every effort will be taken by the Vendors, Auctioneers, their staff and assistants, both on the day of the sale as well as on any other visits of inspection to ensure the safety of intending buyers and visitors.

However, we advise that this is an operating dairy farm run under normal management conditions and certain dangers exist in relation to livestock and their environment.

Visitors should take all care to ensure their personal safety.

DISCLAIMER

All details and descriptions as to stock referred to in this catalogue or otherwise provided by the auctioneer or any other company employee or agent ("sales information") have been supplied by the Seller and have not been independently verified by the selling companies. The selling companies, their employees and agents make no representations or warranties or acknowledgement of any kind whatsoever in relation to any part of the sales information (including, but not limited to the accuracy or completeness of details and descriptions of stock and other contents).

Buyers, advisers and all other persons viewing or dealing with the stock must make their own assessment and judgement on the stock and sales information.

The selling companies, its employees and agents are not

responsible or liable in any way whatsoever, whether in contract, tort (including negligence), or otherwise, to any person for any loss or damage whatsoever arising directly or indirectly from any information or representation included in or omitted from.

ATTENTION

Under the Health and Safety at Work Act 2015, we wish to bring to your attention your responsibilities while attending this on-farm sale. You are in a multi-hazard area and are requested to observe the following rules:

- All children under the age of 16 must be accompanied and under the supervision of an adult
- You are not to enter any yards, pens or races where stock are being moved or held
- Keep to the walkways or within the flagged areas provided
- Report any accident to the site office
- If you see anything unsafe, report it to the site office
- Follow the directions of the Auctioneer and selling Companies at all times.

The auctioneer has overall control of this site, and will ask you to leave if the above rules are not followed.

An outstanding 2yr bull sired by Gusto. Note the production and LWs of the dam and grandam when being milked down south by Dylan and Tarsh. This is a very sound cow family with interest from CRV and LIC.

2 yrs - 60% Black. The highest price cow in NZ this year was from the Suki Cow Family. Old Oman Suki was one of the all time greats at Waipiri and one of Oman's famous daughters. Uno Suki brings a lot of good aspects with calving ease and over 800 m/solids and VG88. A bull that I would comfortably use on virgin heifers. Highly recommended.

2 yrs - 30% Black. Exclusive bull! He is whiter than most people want but by the Global superstar Stanton's Chief and from a mainly black cow family. Doorman Cassie, 965 m/solids as was the wonderful old Oman Cassandra cow who is also one of the highest lifetime cows for milk production in NZ. He will have a reserve on him, that's what I think of him. Super, super genetics here for sure.

2 yrs - 25% Black. A King Doc out of one of Waipiri's great cows. Have been doing some IVF work on Silver Tonio and little wonder, 900 m/s and generations of Ex cows. While a tad whiter, we will have a reserve on this fellow. Great breeding here folks.
