Introduction

64TH ANNUAL NATIONAL HOLSTEIN FRIESIAN BULL SALE

Wednesday, 17th September 2025 at 11:00am

Sale to be held at Te Awamutu Sales Yards, Paterangi Road, Te Awamutu. In conjunction with bidr®

Auctioneers - PGG Wrightson:

Andrew Reyland - 027 223 7092

Bill Moore - 027 825 7505

Outstanding offering of production bred sires comprising:

- | | |
|----|---|
| 24 | Yearling Holstein Friesian bulls |
| 57 | 18 month & two-year-old Holstein Friesian bulls |
| 81 | Head |
| 59 | Semen straws |

All bulls

- meet TB requirements
- have been tested/vaccinated for BVD
- will be tagged per NAIT requirement

Conditions of Sale

All bulls sold subject to the NZ Stock and Station Agents Conditions of Sale as posted in the Sales Pavilion.

EVERY BULL A GUARANTEED BREEDER: The entry of any bull in this catalogue constitutes a guarantee by the Vendor that the purchase price without interest expenses, costs or damages shall be refunded if a bull proves totally infertile of service. If any bull entered does not possess a reasonable fertility, although not totally infertile, any dispute shall be settled by an arbitrator appointed by the Auctioneers.

Any complaint must be lodged with the Auctioneers by the 31st December 2025. The costs of taking delivery of and returning the bull to the vendor to be borne by the Purchaser. A Veterinary surgeon's Certificate shall be produced by the Purchaser when required the costs thereof to be borne by the Purchaser.

DELIVERY: All purchases, as is customary, will be at BUYERS RISK FROM FALL OF THE HAMMER.

INSURANCE: If Transit, or Annual Insurance is required, such cover can be arranged through the Auctioneers on application.

INSTRUCTIONS: Purchasers are asked to sign dockets before leaving the sale and to leave full and explicit transport instruction.

TRANSFERS: Vendors are responsible for completion of transfers. No purchaser shall be entitled to withhold payment for pedigree stock

pending execution of delivery by the vendor of the same.

COMMISSIONS: If it is not possible to be present, the Company's Stud Stock specialists who are thoroughly conversant with the offering, will be glad to make selections upon specified lots according to instructions.

CATTLE FOR EXPORT: All pedigree Stock sold for export are to be inspected by Official inspectors of the Breed Society concerned prior to Export Certificates being granted for such stock.

NOTE: The Vendors assume responsibility for the customary 15% commission chargeable on all stock sold for export.

All bulls which are sons of LIC bulls are sold on condition semen is not collected from these animals and that the purchaser will comply with clause 62 of LIC's service rules.

LIC approves the use of the bulls for natural mating.

If the purchaser does wish to use the bull for commercial AB collection, an agreement must first be reached with the General Manager of Genetics at LIC.

NAIT: All purchasers must supply their NAIT numbers at the time of registering to purchase.

This catalogue was designed by
Holstein Friesian New Zealand.

Foreword

Fantastic line-up of exceptionally well-bred Holstein Friesian bulls that can be used with confidence in your mating program. Most are G3 profiled so their offspring can be fully recorded as replacement heifers. Whether you are looking for bulls from high BW - NZ bred cow families that have supplied numerous sons to AI - or overseas genetics that have proven conformation and production traits needed in a higher input system, you won't be disappointed when you look through this catalogue. Bulls are predominately owner bred/reared and will come forward in excellent order. These bulls give

you different options at mating time and would be great running with a non-cycling herd and condensing the calving pattern.

Purchaser's please be aware that the BW you see on the 3GPs, generated by NZAEL, can be significantly different to the ones generated by LIC/MINDA. Buyer discretion is advised.

P001.50

This bull shows strong capacity, with Pulse on the maternal side contributing to his genetic strength. Both Pulse and Feature are small sires known for extremely low liveweight bloodlines, making them highly efficient.

P001.50

Lambda Rapid has got a good temperament. His dam is a herd favourite. She has got in-calf 3/3 times and has standout production topping her age group. From a great family too!

P001.50

70% Black. Nice early Dropbox bull. Now how good are they performing around the world. From the 'Soul' cow family that have blossomed in the genomic platform. Waipiri Mogul Sola, a nce medium sized cow with the typical Mogul mammary system. Then a tremendous hard working Bookem daughter. Lovely type young bull, ready for work.

P001.50

40% Black. By Bolton who left some of the finest dairy cows around the world. But his dam is from the very old and hugely respected "Skagvale" cow family from Tenneson Bros., USA. Eligay is a treasure at Waipiri. Lovely natured bull and ready to work.

P001.50

Nice Wimbledon son here from the very well known Dickson 'M' family. Marni is also dam to Marlin and Mindset at LIC.

P001.50 Official Publication of Livestock Improvement Corporation Limited

Three Generation Pedigree

Sired by one of the hottest bulls in the world, Dropbox, and by the best confirmation cow in our herd. Dam does 600MS average and recently had a daughter sell for \$7,000. A G3 profile request has been submitted to Genemark.

P001.50

Super quiet bull, still loves to come for a scratch. His maternal line has championed calves. Reared on a nurse cow for 6 months and she was a quiet calf club calf. Big framed bull.

This bull is from the "Blackrose" family that's well known around the world. His dam is 8th generation EX and she was All-NZ Junior Cow 2017. She's the dam of 1 EX & 3 VG daughters including 9th generation EX Clover-Lane Dback Rosay EX2, 716kgs MS. His pedigree combines some of the greatest cow families in North America.

Genomically tested through Semex.

Right: Pelorus Wind Alexis EX, 2nd dam to Lot 59. *Photo: Dean Malcolm*

A2A2. Special pedigree on this fella, tracing back to Mystique Goldwyn Alexe EX92. Moovin Alexis-ET will classify high this spring, cross her with Bullseye and you have a special one here. Milking Bullseye daughters at Lawwal are ticking all the boxes so far. Super opportunity.

A1A2. Havenofear son from one of the oldies but goodies at Lawwal in Penistone Steady Floret EX2. Floret is a cow that is hard to fault, her longevity is a result of this. Reaching 919kgMS in her record lactation so far, she will go another couple lactations yet. Lots of potential in this bull. He will be fully registered before the sale.

P001.50

Great Fertility this guy! Will be carrying the polled gene.

P001.50

Great strong production dam with the type to match; great udder, lovely cow to milk. Good sire selection with Wave being a smaller bull, Makenna is a big girl.

P001 50

Lovely small stature dam, beautiful wide rump and great udder. Great strong cow.

Lovely small stature dam, beautiful wide rump and great udder. Great strong cow.

P001.50

Big strong dam is Nellie with a great udder. In particular a extremely strong fore udder attachment, the kind of cow where it looks welded on. This guy is carrying the polled gene.
