Please note: This trip may be tax deductible for eligible dairy farming businesses. HFNZ recommends seeking advice from your accountant or tax professional to determine how this applies to your individual circumstances.

TERMS & CONDITIONS

- Options 1 & 3 - A non-refundable deposit of \$1,250.00 per person is due no later than 27 March 2026
- The balance of the registration cost must be paid no later than 27 April 2026. The Association is required to pay all costs to the travel providers 60 days prior to travel commencing.
- Option 2 - Full payment with registration by 27 April 2026
- All bookings are subject to final numbers and confirmation at each venue.
- Airfares and rooms have currently been booked for 40 people, at the quoted prices (Australia only).
- All costs have been based on a minimum of 40 delegates travelling and are subject to change if this is not achieved or if the trip is over subscribed (Australia only).
- Spaces are limited for the Australia part of the trip, so registration will be accepted on a first come, first served basis.
- For the Australian part of the Conference all prices have been converted from Australian dollars. While every effort has been made to allow for currency fluctuations should there be any large movement in the Australian dollar between now and the time of payment, this may alter the overall price. Please note this will only be if there is a large movement.
- For all tour delegates not travelling on a New Zealand or Australian passport all visa requirements etc are your own care. This can be arranged through the travel agent.
- All delegates are responsible for making their own travel insurance arrangements. Delegates are strongly advised to take out travel insurance when they pay their deposit.
- Holstein Friesian NZ are unable to take responsibility should the tour not operate due to natural disaster, political unrest, pandemic or other such events beyond our control. It is the delegate's responsibility to have travel insurance in place to cover such events, and will be required to claim any unrecoverable costs from their insurance provider should such an event take place.
- The Australian part of the Conference is a complete package and cannot be offered as individual events.
- Extending your trip – to gain the group booking all delegates must travel to Australia on the same flight, however should you wish to extend your stay in Australia, then we are able to organise flights home at a later date as required. Any additional internal flights required in Australia should you choose to stay on will be the delegate's own care. Extensions will be organised on request at participants cost.
- Delegates are able to earn Air NZ airpoints on all flights booked for the tour, however airpoints cannot be used to cover the cost of the flights included in Options 1 & 3.
- Accommodation in Auckland is included in Options 1 & 2
- Accommodation in Australia - if delegates travelling alone wish to share a room, we can provide a list of other single delegates, but it is up to each individual to organise to share.
- All domestic flights to and from Auckland are not included in the quoted prices and are the delegates own care to organise. These can be arranged through the travel agent, so that they are one booking.
- Options 1 & 3 includes a shirt or jacket or bag, in the price, pending availability.
- Cancellation after final payment will be assessed on an individual basis excluding the non-refundable deposit which remains non-refundable, any unrecoverable costs paid on a delegate(s) behalf and a cancellation fee of \$200.00 per person.
- Once paid the deposit is non refundable
